\* BEFORE THE  
\* ZONING COMMISSIONER  
\* OF BALTIMORE COUNTY  
\* Case No. 99-86-A

\* \* \* \* \*

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Zoning Commissioner as an administrative variance filed by Bernard J. Meinshcein and Beverly S. Meinschein, his wife, property owners, for that property known as 401 Wake Robin Drive in the Dun Rovin subdivision of Baltimore County. The Petitioners/property owners herein seek a variance from Section 400.1 of the Baltimore County Zoning Regulations (BCZR) to permit a pool to be located in the half of the rear yard closest to the side street, in lieu of the half farthest from the side street. The property and relief sought are more particularly described on Petitioners' Exhibit No. 1, the plat to accompany the Petition.

The Petitioners having filed a Petition for Residential Variance and the subject property having been posted, and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioners have filed the supporting affidavits as required by Section 26-127 (b)(1) of the Baltimore County Code. Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should, therefore, be granted. In the opinion of the Zoning Commissioner, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of

Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioners.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED by the Zoning Commissioner for Baltimore County this 23<sup>rd</sup> day of September 1998 that the Petition for a Zoning Variance from Section 400.1 of the Baltimore County Zoning Regulations (BCZR) to permit a pool to be located in the half of the rear yard closest to the side street, in lieu of the half farthest from the side street, be and is hereby GRANTED, subject, however, to the following restriction:

1. The Petitioners are hereby made aware that proceeding at this time is at their own risk until such time as the 30 day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, the Petitioners would be required to return, and be responsible for returning, said property to its original condition.
